## Electric Blue

The vivid blue hues of this wallwork come from the natural and waterway-safe dyes used in EILEEN FISHER clothing. Layers of cobalt and turquoise create a whimsical scene evocative of marine life but not consigned to the figural world. Up close, the detail of felted woven fabric lends satisfying texture and depth.

### DETAILS

Electric Blue  
Wool, linen, silk  
58 x 53 inches  
Ashley Edwards  
2020  
\$1,800

---

### SUSTAINABILITY

Made from:  
6 wool sweaters  
3 silk shirts  
3 linen shirts

---

### ABOUT WALLWORKS

Wallworks, in their most essential guise, are large-scale, one-of-a-kind wall hangings felted from reclaimed EILEEN FISHER clothing. The variety of materials, colors, and hand-arranged compositions renders each piece wholly unique. The size and textural quality of Wallworks make for a stunning addition to private and public spaces alike, providing visual impact and a modicum of acoustic dampening. Wallworks were first displayed in the Waste No More exhibit at Salone Internazionale del Mobile di Milano, the prestigious furniture and design trade fair.
