

Floating Garments Figurative 2

Alive with movement and texture, Floating Garments Figurative 2 invites the imagination to wander within its wintry color palette. Perfectly placed shirt seams and trim bring an illustrative linework to the composition, while gossamer silks and linen remnants defy gravity and confinement.

ABOUT WALLWORKS

Wallworks, in their most essential guise, are large-scale, one-of-a-kind wall hangings felted from reclaimed EILEEN FISHER clothing. The variety of materials, colors, and hand-arranged compositions renders each piece wholly unique. The size and textural quality of Wallworks make for a stunning addition to private and public spaces alike, providing visual impact and a modicum of acoustic dampening. Wallworks were first displayed in the Waste No More exhibit at Salone Internazionale del Mobile di Milano, the prestigious furniture and design trade fair.
